

# My PSC Online

Manage your limited  
company online

# You can count on PayStream

My PSC Online is our easy to use, low cost solution for managing your limited company accounts. With our innovative online portal that's been specially developed for contractors by our in-house team, you control everyday tasks like invoicing and bank entries, leaving us to handle your core accounting needs like preparing your company accounts, all for as little as **£75 per month**.

## Is it right for me?

After years of working with every type of contractor you can imagine, we've learnt that not everyone's needs are the same. That's why we developed My PSC Online the ideal service for contractors who have the knowledge and expertise to run their own limited company and don't need the added expense of a full accountancy service

My PSC Online could well be the best option if you:

- are an experienced contractor
- have the knowledge and expertise to run your own limited company
- want to carry out the everyday admin tasks yourself but want help with your core accounting needs
- are familiar with and enjoy managing your financial affairs online, with internet banking for example

## Reasons to choose My PSC:

### My PSC Online portal

24/7 access to accounts, invoicing, expense claiming and more.

### Safe and secure system
