# Personal Service

Running a limited company can be daunting, especially if you are new to contracting. That's where PayStream's accountancy services can help. Thirty years experience looking after contractors across all areas of commerce and industry makes us ideal to advise you on the accountancy side of your business, leaving you more time to get on with your day job.

Our in-depth knowledge and understanding enables us to provide outstanding levels of service and care. If you are looking to set up or already have a limited company, make PayStream your choice.

## Perfect Solution

My PSC is designed for contractors outside IR35 who want to run their own company, whilst maximising their net pay.

## Reasons to choose My PSC:

- \* Team of experts available on site and working on your behalf
- \* Free phone number to a dedicated Account Manager
- \* A compliance team to advise you on IR35
- \* Up to 50% discount on insurances when purchased through our business partners
- \* Option to use our personal tax return service
- \* Portability – it's your company which you can use on any assignment
- \* Innovative service – we are constantly reviewing our services to make sure you are always working in the most tax efficient yet compliant way
- \* No MSC worries as we have been audited by an external company to prove it!
- \* Text message service to advise you of your available funds.
