Payroll Solutions

When you think about the advantages of payroll outsourcing, there is little benefit in doing it in-house. For example, outsourcing your payroll with PayStream can mean improved efficiency, reduced risks, not to mention cost savings of up to 30%.

Developed by PayStream for organisations with small, medium and large payrolls, Your Payroll is a comprehensive, cost effective and reliable managed service that is run by payroll specialists with many years' payroll expertise.

As a 'Your Payroll' customer you will benefit from high levels of personal service, a dedicated payroll specialist, up to date payroll legislation and PAYE advice and a direct dial number for consistency, accuracy and peace of mind.

Outsourcing with PayStream means:

- * Improved business efficiency, effectiveness and accuracy
- * A dedicated helpline
- * Greater flexibility, scalability and control
- * A flexible service that changes with your needs
- * Reduced risk and operating cost savings
- * Personnel freed-up for more profitable activities
- * Your critical payroll data also securely held off-site
- * No more hardware, software, licensing and upgrade issues

Problem Solved

Discover the peace of mind benefits that Your Payroll provides:

- * Flexible, cost effective and totally managed payroll solution
- * A comprehensive review of your current payroll processes, KPIs, compliance and reporting needs
- * Tailored outsourcing to meet your precise payroll requirements
- * A choice of 'Managed' or 'Fully Managed' services
 - Managed - outsourcing payroll processing
 - Fully Managed - complete responsibility for all payroll related matters
- * You retain total control, yet are free to concentrate on core business activities
- * First-class service, support and care at highly competitive rates
- * Dedicated 'named' contact backed by an expert team using HMRC accredited software
- * The knowledge that your payroll will always be on time
- * Extensive knowledge of payroll compliance and employment legislation
