PayStream Group Coronavirus (COVID-19) Statement

We can reassure you that it is currently business as usual at PayStream and we have strong contingency plans in place to continue to support all of our customers during this unprecedented crisis.

In order to ensure the safety of our staff we are carefully monitoring and adhering to NHS and World Health Organisation recommendations.

We already have a multi-location capability which, together with a staged homeworking plan, is designed to ensure that we can continue to support our customers as this situation escalates.

This is a fluid situation and our Business Continuity Team are meeting on a regular basis to assess the situation as it develops and to identify any immediate actions required.
